

Understanding Stroke: A Workshop for Family & Friends

Wednesday, November 19th, 2014
6-9pm

Social Services Seminar Room 189
GF Strong Rehabilitation Centre
4255 Laurel Street, Vancouver

You will learn about:

- How the brain works
- Changes that happen after a stroke
- Practical strategies to help
- Life after stroke and resources to help you and your family through your journey

Dr. Yao & Helena will be the facilitators
